

Protocols for Interacting with Local Police:

1. Emergency Situations:

- In an emergency, call the local police immediately. The emergency contact number is 911.
- Provide clear, concise information about the nature of the emergency, location, and any immediate dangers.

2. Reporting Crimes or Suspicious Activity:

- Report any crimes or suspicious activities to the police promptly.
- Maintain a log of incidents with dates, times, and descriptions for reference.

3. Requesting Police Presence or Assistance:

- For non-emergency assistance, contact the local police's non-emergency number.
- Establish a relationship with the community officer who can provide regular check-ins and support.

Safety and Prevention Measures:

- **Regular Training:** Participate in safety and emergency response training sessions.
- **Security Systems:** Ensure surveillance cameras, alarms, and locks are functional.
- **Visibility:** Maintain good lighting and clear visibility inside and outside the store.
